

Building the Kingdom

Let's Build Together

“I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world.” John 16:33

Prayer Points

Habitat's Response to the War in Ukraine

Over recent months many Ukrainians have returned home but the situation remains highly volatile and unpredictable. Pray for the millions who still need and will need help. As winter approaches there will be new challenges, and likely a new wave of refugees.

Pray for Habitat staff teams in Poland, Romania, Hungary, Slovakia and Germany as they continue to respond with practical help, supporting refugees from Ukraine to have safe places to stay.

Girls' Brigade Partnership

Habitat Ireland is thankful for the new charity partnership with Girls' Brigade NI. Over the next three years, more than 19,000 members from across Northern Ireland will engage with Habitat Ireland's mission through their GB company.

Give thanks for the power of partnerships which connect people of all ages with Habitat's mission, pray that more people will be inspired to put their faith into action to help build a world where everyone has a safe place to live.

Education Programmes

As the new academic year begins, pray for God's blessing on the staff and volunteers who deliver Habitat's education programmes including Change Makers - Habitat's shared education and citizenship programme; and Our Waste, Our World - exploring issues around sustainability and waste.

Give thanks that new programmes – including Our Water, Our World – bring new opportunities to engage young people and to share how Habitat's mission creates equitable access not just to shelter but to water, livelihood support and training. Pray for the young people who will participate in Habitat programmes; for deeper understanding of global challenges and their role in building a just, sustainable world.

Struggling Families

Pray for all those who are anxious about what winter may bring. Pray for those who worry about the cost of living crisis here at home, for those who don't know when they can return home because of conflict or disaster, and for those who hope for a safe place to live.

Pray that support will reach those who are most in need. Give thanks for Habitat programmes globally that focus on making homes more energy efficient and for the low cost home improvement solutions provided through ReStore.

Scaling up Local Impact

Habitat's local 'House to Home' programme helps make a house a home for some of the most vulnerable in our community; give thanks for the partnerships with local agencies which makes the work possible.

Pray for Rab, as he leads the programme, and for the volunteers who come to serve. For every brushstroke; every roll of wallpaper applied; every effort to make the house a home – pray that God's love would be evident.

Why not join our October Pray At Home - see www.habitatni.co.uk/pray to register and for more details.
